Welcome to THE GRANITE ROSE

The Granite Rose is the epitome of elegance with its sliding French doors leading to a private wraparound deck where your guests can enjoy cocktails and butler-passed hors d'oeuvres. The abundance of glass allows you the opportunity to welcome the outside in, so that you may enjoy the gardens and deck throughout your event. The unique architecture has a contemporary feel supported by the extensive use of native oak, skylights, and accent windows.

Perched atop the hillside, The Granite Rose is surrounded by the beauty of the New Hampshire woods and mountains with spectacular views of perennial gardens, majestic stone walls, and graceful water features that change with the seasons. Allow nature's grandeur to provide the perfect canvas on which to paint the portrait of your once-in-a-lifetime day.

A COUNTRY SETTING WITH A CONTEMPORARY FLAIR...

Both event spaces feature separate entrances, which include a foyer and coatroom, as well as private bars and built-in hardwood dance floors. Computer-controlled lighting reflects the changing moods of your event, and special touches, such as oversized dining tables and cushioned banquet armchairs, ensure the comfort of your guests.

Skylights and floor-to-ceiling windows flood both rooms with abundant natural light during the day and beckon your guests to dance beneath the moon and stars in the evening. French doors allow access to adjoining cedar decks, overlooking a walled garden and a magnificent 65-mile panoramic view of the mountains.
